Medicare rebate per course	← \$64.95 →				
Gap (net cost to client under Medicare)	\$201.05	\$153.05			

- ◆ To be covered by Medicare, you need to visit a GP or psychiatrist first.
- ◆ Private Health Insurance rebates apply, depending on the policy. Usually these do not require a GP referral.
- ◆ Bulk-billing may be available in special circumstances. Otherwise all fees are due up front; you then claim back any rebate due from Health Insurance/Medicare. You can now claim from Medicare online or in person.
